

DOROTHY

i'm a recluse sometimes
i prefer to stay in my mind
i'd make plans with you
if i wanted to
but i don't
give
don't you give so much
i will take it
and leave you crushed
i know you want me there but i
i like it here
i like it here...
i feel guilty for omitting
all the things that you can't witness
and i'd tell you now
but it's none of your business
lie
don't you lie so well
you are naked
i can see your tales
i know you want me there but i
i like it here
i like it here
i've got vertigo
but i'm not scared of heights
it's the comfort of being on the ground
she is a virtue
that could easily hurt you
but don't you dare think about that
'cause no one's ever been this close before
in my mind i'm doing the right thing
i'm giving you your go
so let it all just flow out...
